I read Dr Julian's Whitaker special supplement published July 1999 - Health & Healing - Tomorrow medicine today. I have read other Health & Healing supplements & must say Dr Whitaker is doing a great job. I am glad we can get this news here in Canada. Makes us wonder what is going on. I think we are smarting up & realizing how we need these supplements - I take quite a few vitamins - just on my own - Drs here don't prescribe Vit. They do give a Dendronel Kit with Calcium for osteoporosis - Contains ^{1,000 mg} _{calcium} 14 citrate & more than 76 ^{500 mg} Carbonate - 1 a day

I take many other vit. also.

This letter may not be of any use to you but Dr Whitaker said to write to you.

Thanking you for your time

Mrs. Viola Crenshaw
